

### **Our Values**

- Empowering Individuals: We believe that ALL people have great potential. Providing individuals with the social capital and support to thrive, our citizens will feel more empowered to take on new challenges of growth and innovation.
- Community Commitment: We are strongly committed to helping our community flourish and grow by developing workforce opportunities for ALL the citizens of our community.
- Equity and Inclusion: We believe that everyone deserves to live a full and fulfilling life in a community that is safe and that provides opportunities for all backgrounds to succeed and grow.
- Wellbeing: We work to provide safe spaces for the youth and families in our community to live, learn, play, work and grow. We take a community wide holistic approach in helping our community to become a better place.
- Community Collaboration: We appreciate the importance of teamwork through a diverse group of partnerships within our community, as well as partnership regionally and nationally that can help us to reach our goals. Working together for the betterment of the whole will, help our community to thrive, grow and to heal.
